

**Slow Birding
Ecuador 2026**

Relaxed Birdwatching Tours for Seniors

**Less travel, more birds, and meaningful
nature experiences**

A Gentle Birding Experience in Southern Ecuador

Discover one of South America's richest birding regions at a relaxed pace. Our slow birding tours are designed for comfort, short walks, and meaningful wildlife encounters — perfect for seniors and nature lovers.

Why Choose Slow Birding?

- Short and easy walks
- Flexible daily schedule
- Plenty of time for photography
- No rush, no stress
- Small groups for personal attention

Top Birding locations

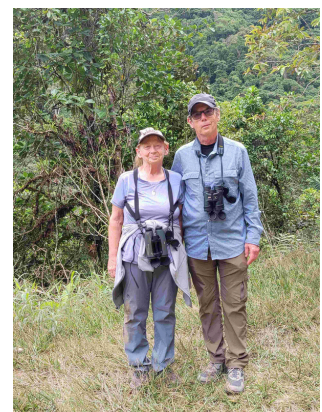

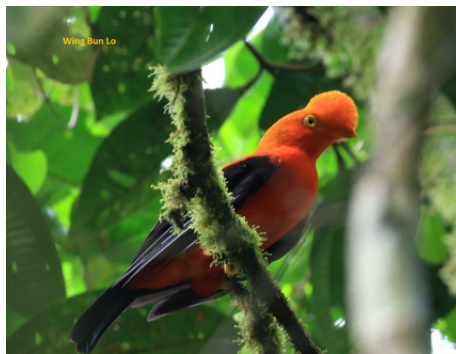

Buenaventura Reserve

Tapichalaca Reserve

Podocarpus National Park

Copalinga Reserve

WHO IS THIS TOUR FOR ?

- **Senior birdwatchers (60+)**
